GET THE BEST DEALS FOR YOU & YOUR CUSTOMERS

 The Power of One | Cox Automotive

Find the best options for you and your dealership by quickly generating up to 90 scenarios. The user interface and process simplifications get you the information you need in less time, giving you more time to spend with your customer.

Features:

Customizable Proposals

Show customers side-by-side deal comparisons and deliver proposals via print, email, or text.

Real-time Integrations

Push to a certified DMS and pull in credit reports and OFAC checks without ever leaving your customer.

Staff Accountability

Keep track of all proposals generated, regardless if the vehicle was purchased or not.

Available Integrations:

- Accelerate My Deal
- Dealertrack
- vAuto
- RouteOne
- CUDL

Also Available: Rates & Residuals

- Improve the customer experience by identifying the best terms and alternative deal structures before you submit for funding.
- Optimize both front and back-end profits.
- Receive and view current manufacturer rebates and incentives, plus third party lenders.
- Rates & Residuals includes a Limited Guarantee, which gives dealerships a credit up to 3 times their monthly fees for discrepancies on eligible errors.
