Pushing a Deal from Connect to Dealertrack Desking (deskit) powered by DealerCorp

1. In **Connect**, add a new customer or select an existing customer.
2. On the **Customer Dashboard Sales** tab, select **2DMS** ❶.

3. Select the **ADD NEW** drop-down ❶ and select the existing deskit customer; or to add the customer to deskit, select **ADD NEW**.
4. From the **Sales Person** drop-down ❷, select **Sales Person**.
5. From the **Deal Type** drop-down ❸, select the **Deal Type**.
6. Select **Submit** ❹.

Note: A confirmation pop-up will appear once the push is complete.
